PROFILE

A motivated Software Engineering trainee with **6 months** of hands-on experience in **web development** using **HTML, CSS, JavaScript, React and Material UI**. Proficient in debugging, version control (Git), and problem-solving. Eager to apply skills in real-world projects, enhance coding efficiency, and contribute to team-driven software development.

SKILLS

Technical Skills : React.js, JavaScript, HTML, CSS, Tailwind CSS, C, Java, Data Structure Algorithms, OOPS, MySQL
Dev Tools : Visual Studio Code, Git, Github
Soft Skills : Team Collaboration, Critical thinking ability, Leadership Qualities.

EXPERIENCE

Software Developer Trainee

JSPIDER

Sep 2024 – Present

On-site – Bangalore, Karnataka

- Designed and developed dynamic and responsive websites using **HTML, CSS, JavaScript, and React**
- Integrated **REST APIs** to retrieve and display data from databases, ensuring seamless data flow.
- Learn to Optimized website performance, achieving a **55%** improvement in speed and efficiency through performance enhancements.
- Reduced development time by **30%** by creating reusable.

Software Developer Intern

CETPA Pvt. Ltd.

July 2023 – August 2023

On-site – Noida, Uttar Pradesh

- Collaborated with senior web developers in the design and development of dynamic websites using **React.js**.
- Converted Figma designs to responsive user interfaces (UI) in the design and development of websites with **React.js**, ensuring pixel-perfect implementation.

EDUCATION

IMS Engineering College

Bachelor of Technology in Computer Science (CGPA: 7.8)

Noida, Uttar Pradesh

Aug 2020 – July 2024

Sunbeam Academy

Intermediate

Varanasi, Uttar Pradesh

April 2018 – March 2020

PROJECTS

Movie Deck

React.js, Redux, HTML, CSS

[Source Code](#) / [Live Url](#)

- Utilized TMDb API to create a React.js MovieDeck, offering dynamic movie browsing and exploration.
- Implementing tabs for trending movies categorized by week, day, popularity, and top-rated using React.js
- Users can search for movies using the search function, enabling quick discovery of relevant titles based on their preferences.

Amrutan Clone

HTML, CSS, JavaScript

[Source Code](#) / [Live Url](#)

- Built a fully responsive clone of the **Amrutan** website using **HTML, CSS, and JavaScript**.
- Implemented **responsive design** to ensure cross-device compatibility, enhancing the user experience across mobile, tablet, and desktop devices.

CERTIFICATIONS

- Internship Completion Certificate by CEPTA -2024
- 80 hours of Training Completing a Certificate on Employee-ability Skills by TPC Global- 2023
- Solved around 150 problems on LeetCode, GeeksForGeeks and CodeStudio which shows my critical and logical and cognitive ability
